**SPREADING RUMORS IS
NOT OKAY!**

*Once upon a time,
there was a bakery
with vanilla cupcakes and
other one with chocolate
cupcakes.*

VANILLA BAKERY

Oh, you don't need them.

They aren't good enough
for anybody.

We are sweeter than them.
WE ARE THE BEST!!!!

Do you have
chocolate cupcakes?

Hmmm... Maybe you are right.

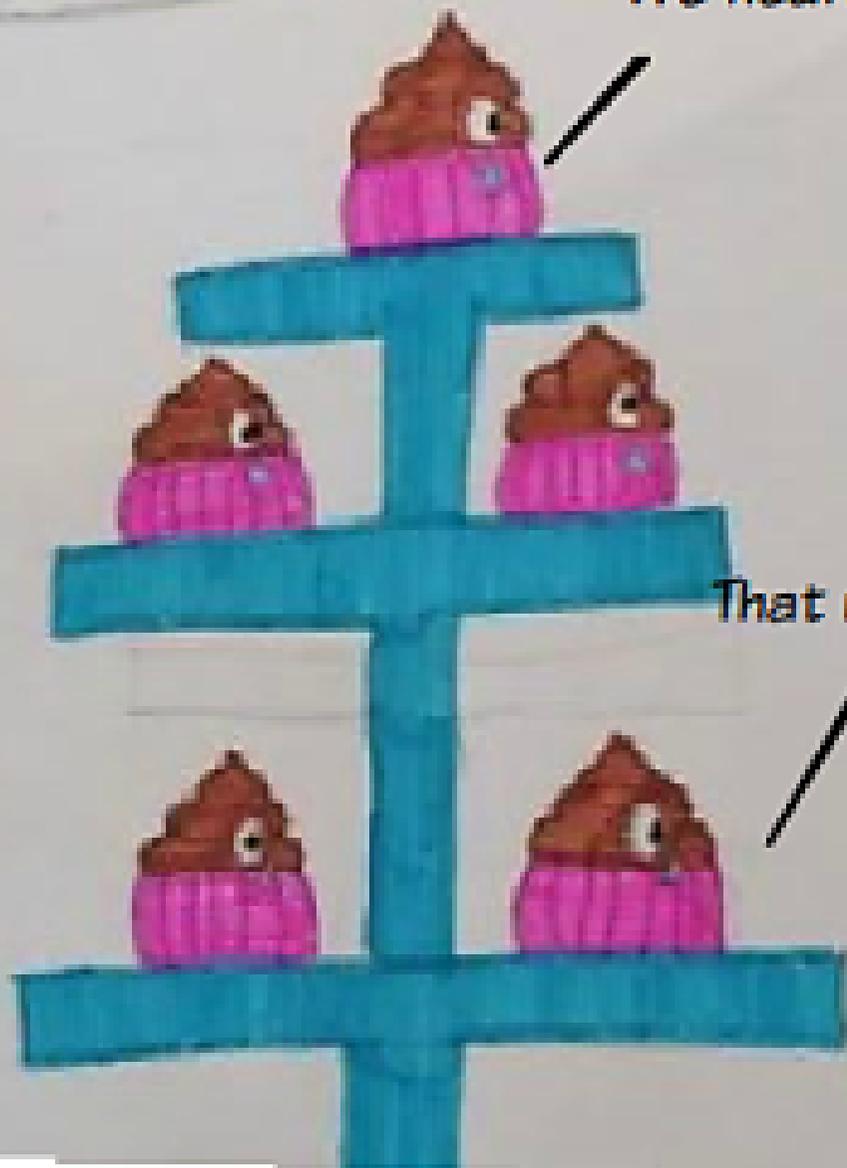

Of course! I'm a vanilla cupcake

A few moments later

Chocolate bakery

We heard the rumors about us...

That no one wants to buy us

Why are you crying?

I can try you, to see if those rumors are true

A few minutes later...

Those rumors aren't true!!!
Both of the cupcakes taste equally well
but there are less costumers to the chocolate ones.

A few months later, everything was different...

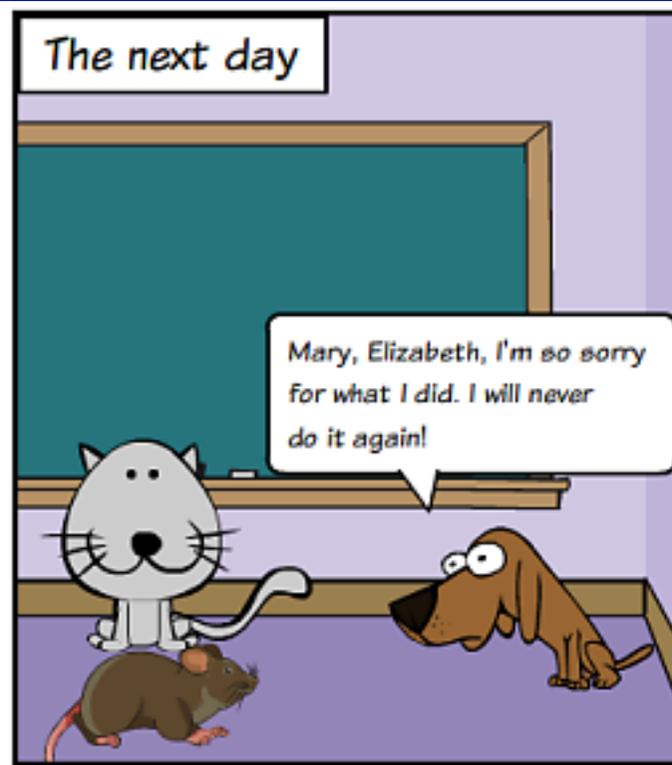

WHY DO I HAVE TO DO
WHAT HE WANTS ?
